THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2019-230-E - Enrique McMilion, Jr., Complainant/Petitioner v. Duke Energy Carolinas, LLC, Defendant/Respondent - Staff Presents for Commission Consideration the Complainant/Petitioner's Petition for Rehearing and/or Reconsideration of Commission Order No. 2019-686.

COMMISSION ACTION:

This is the second complaint docket commenced by Mr. McMilion against Duke Energy Carolinas. The first complaint, in Docket No. 2018-379-E, was dismissed by way of Order No. 2019-427 on June 12, 2019. On June 18, 2019, Mr. McMilion filed the complaint now before us in the present docket, claiming that he has not been informed of the terms and conditions of his contract for electric service, that his rights have been violated due to his not having received written copies of his service contract and tariff updates, and that the smart meters installed by Duke violate his rights under applicable laws and regulations. We dismissed that complaint on September 25, 2019 by way of Order No. 2019-686. In his motion for reconsideration, Mr. McMilion again asserts that he is entitled to receive in writing the terms and conditions governing digital meters, and to insist that his assent to the installation of digital meters be in writing. Duke has already provided, in its motion to dismiss dated July 3, 2019, digital links to the documents Mr. McMilion has requested, and hard copies of all requested documents were also attached. Therefore, Mr. McMilion has no further outstanding claim for which the Commission can grant him relief. Accordingly, I move that we deny his petition for reconsideration.
